

Day/Activity	Friday 04.04.14	Saturday 05.04.14	Sunday 06.04.14
08.00 – 09.00			<b>breakfast</b>
09:00 - 09.45		<b>Alessandra Zarcone</b> <i>Event Knowledge and Models of Logical Metonymy Interpretation</i>	<b>Patrick Ziering</b> <i>What are good nominalkomposita for noun compounds. Experiments on noun compounds processing using crosslingual evidence.</i>
09.45 - 10.30	<b>Departure from Stuttgart at 10.00 (Vaihingen Campus)</b>	<b>Abhijeet Gupta</b> <i>Complex aggregates in natural language interfaces to databases</i>	<b>Kerstin Eckart</b> <i>Task-based syntactic preprocessing: supporting information status annotation</i>
10.30 – 10.45			<b>coffee break</b>
10.45 -11.30		<b>Gabriella Lapesa</b> <i>Distributional Modeling of Semantic Priming: Parameters, Interactions and Model Selection</i>	<b>free time</b>
11.30 – 12.15		<b>Marion Weller</b> <i>Syntactic and semantic information to improve statistical machine translation</i>	
12.15 – 13.00			
13.00 – 14.00	<b>Arrival at Söllerhaus around 13.30</b>		<b>lunch break</b>
14.00 – 14.45	lunch around 14.00	<b>Guest talk: Daniel Duran</b> <i>Usage based approaches and Exemplar Theory: challenges and possibilities</i>	<b>Departure from Söllerhaus at 14.00</b>
14.45 – 15.30	<b>Wolfgang Seeker</b> <i>Graph-based dependency parsing for lattices</i>	<b>Carola Schindler</b> <i>Perceptual speaker discrimination based on German consonants</i>	
15.30 – 15.45			<b>coffee break</b>
15.45 – 16.30	<b>Anders Björkelund</b> <i>Learning structured perceptrons for coreference resolution with latent antecedents and non-local features</i>	<b>Guest talk: Natalie Lewandowski</b> <i>An exemplar-based hybrid model of phonetic adaptation</i>	
16.30 – 17.15	<b>Kyle Richardson</b> <i>Finding Semantic Parsing Datasets inside Technical Documentation</i>	<b>general discussion</b>	
17.15 – 18.00	<b>Christian Scheible</b> <i>Supervised and Semi-Supervised Models for Word-Based Sentiment Analysis</i>	<b>MGK self-evaluation meeting</b> (GD, SSiW, SZ, JB)	<b>Arrival to Stuttgart (Vaihingen Campus) around 17.30</b>
18.00 –			<b>dinner</b>

19.00
